
2017 Frederick County Farm Safety Camp Registration

Dear Parents and Campers:

Frederick County Farm Bureau is proud to offer the 22nd Annual Safety Camp. This year we have planned an exciting three day, two night camp. Campers, ages 8-13, may enjoy classes that are tailored to food safety, fire safety, electric safety, farm safety, lawn mower safety and wildlife safety. Classes are taught by volunteers from the community who excel in their specific fields.

Safety Camp will start the morning of July 6, 2017 and will end in the morning on July 8, 2017. Campers are to be dropped off at camp between 10am -11am on Thursday, July 6, 2017. Campers are to be picked up on Saturday, July 8, 2017 between 10am and 11am.

The camp will take place at Camp Round Meadow in Catoctin Mountain Park – 4840 Manahan Road, Sabillasville, MD. The camp provides four heated dorms, a gymnasium, classroom and a dining hall. Each dorm has two separate bathrooms with hot showers and flush toilets. Electric outlets are provided in the bathrooms. Safety Camp will have on staff a registered nurse to assist with medical issues. Campers will enjoy both indoor and outdoor activities.

Campers need to bring weather related clothing, towels, personal hygiene materials, bedding for a twin bed (most campers bring a sleeping bag with a blanket), pillows, water shoes for shower, suntan lotion, bug spray, medicine and a flashlight. Medications should be in the prescription bottle and will be given to the nurse for safe keeping while at camp. Sunscreen and bug spray should be labeled and will be given to the nurse also. Campers should NOT bring any weapons (including pocket knives), alcohol, matches/lighters or valuables to camp. Frederick County Farm Bureau is not responsible for lost or stolen items.

This year, Safety Camp will be open to campers from other area counties including Montgomery, Washington, Carroll and Howard. Registration will be open March 1, 2017 and extend until June 15, 2017 for all counties. Registration will be accepted on a first come, first serve basis. Registration will not exceed 70 campers. Camp cost this year is **\$30.00**. The cost includes registration, meals, housing, a t-shirt, water bottle and a camp photo. Deadline for registration is June 15, 2017. All payments must be postmarked by June 15, 2017.

Registration and payment can be mailed to Amy Jo Poffenberger at 10734 Stull Road, Frederick, MD 21701. Please make check out to **FC Farm Safety**.

Dear Farm Safety Camp Supporters,

Frederick County Farm Bureau is gearing up for its 22nd year promoting farm safety. Over the past twenty-one years we have touched the lives of more than 1,000 campers because of your generous support.

The purpose of Safety Camp is to promote the recognition of farming hazards to children and to heighten the awareness of general farm safety through education and informational programs. This will be accomplished by organizing the community to provide awareness and education in a variety of methods, such as presentations, dissemination of material and personal contacts. The primary focus will be to target farm youth and their parents. Any other interested individuals, such as urban youth and child advocates, are encouraged to participate.

We are extremely proud of our past work in farm safety education through interactions with 4-H and FFA members and visiting clubs, schools, day care facilities, fairs and pre-schools with our message of safety. Safety camp is run entirely by volunteer staff and high school age counselors, so without financial sponsorship safety camp would not be possible. We hope you will consider making a donation so we can continue to make the farm and our environment safer for youth to live, work and play.

Safety Camp will be held July 6-8, 2017 at Round Meadow Campground. This year's camp will tentatively focus on: Farm Safety, Safe Lifting, Campfire Cooking, Knife Safety, Bee Keeping, Fishing, and Water Safety. Please join us in supporting this worthwhile endeavor.

Sincerely,

Amy Jo Poffenberger
